

DOMAINE
BELLE D'ARGENCE

BIO DEPUIS 1993

GRAND LARGE RED 2023

AOP Costières de Nîmes

Syrah, Grenache, Carignan

Terroir

This selection of old vines takes root in a sandstone soil strewn with *galets roulés*, the remnants of ancient riverbeds. These stones absorb heat during the day and release it at night, ensuring optimal grape ripening. Located between the Camargue and Provence, the estate benefits from a sunny Mediterranean climate, tempered by the Mistral and marine influences.

Winemaking & Aging

Grapes from carefully selected parcels are harvested and destemmed before undergoing a 15-day maceration with daily pump-overs. This process preserves and fully reveals the distinctive character of this cuvée.

Tasting Notes

- Beautiful red colour with purple highlights.
- A complex and distinctive nose: peony, graphite, fireplace embers, liquorice pastille, cocoa powder.
- The palate is velvety and enveloping. The finish remains fresh and energetic. A dense, generous wine.

Alcohol level

13.5% alc. vol.

Serving temperature

14-16 °C

Aging potential

5 years
